

STUDY MEDICINE AT THE AMA-ZSMU MEDICAL CAMPUSES IN POLAND (EU)

AMERICAN MEDICAL ACADEMY IS NOW ACCEPTING MEDICINE APPLICATIONS

AMA-ZSMU
offers:

US and EU Integrated MD curriculum

• MODERN EDUCATIONAL TECHNOLOGIES

All candidates will receive a free laptop with State-of-the-Art educational software to study, take exams and to do training and more; also available e-medical library facilities during the study period.

• CLINICAL ROTATIONS

Students can complete clinical rotations at U.S. teaching hospitals or at the Polish teaching hospitals (certain conditions would apply for the US clinical rotations)

• ASSISTANCE WITH STUDENT NEEDS

AMA representatives are available to assist students with pre-registration, accommodation, study programs, visa/travel, and more.

• USMLE PREP COURSES

Students will receive training from the US professors during the 4th & 6th year's program; also available advanced 4 months optional USMLE training in the USA (some conditions would apply for the US training).

• CLINICAL OBSERVATIONS

Indian students (1st to 6th years) have the option to do 4 weeks of clinical observation with some major Indian hospitals during summer break with no additional fee.

AMA-ZSMU Medical Campus students in Poland all have the opportunity to participate in two to four weeks of study tour training program with one of the faculty members to visit some of the EU teaching hospitals (each candidate can participate a totally of three times during the six years study period), with no additional tuition/training fee.

CLASSES ARE STARTING
IN OCTOBER 2023

AMA ZSMU
MEDICAL CAMPUS

STUDY MEDICINE AT THE AMA-ZSMU MEDICAL CAMPUSES IN POLAND (EU)

OPPORTUNITY

The American Medical Academy (AMA) is now pre-enrolling students who are interested to pursue a degree in Medicine. Candidates complete studies in Rzeszow, Poland at the AMA-ZSMU medical campus and obtain their degree from our partner European medical university "Zaporizhzhia State Medical University" (ZSMU). This is a great opportunity, especially for candidates that have not been accepted to medical college/university after taking the entrance exams or are even unsure about admission into a medical program.

Candidates will receive excellent medical education and training from internationally respected U.S. and European professors. Our partner European medical school (ZSMU) is a prestigious, accredited institution with 120 years of medical education experience.

World-Wide Degree Recognizations:

Graduates can work in the USA, EU countries, UK, India, Canada, Australia and world-wide; ie., ZSMU medical graduates are entitled to practice in their destinations of choice.

REQUIREMENTS

Pre-Medicine is NOT required to do in Europe for those candidates that have completed high school or have a degree or an incomplete Bachelor's degree to study the entire program in Poland. After three years of studies in Europe, candidates can complete clinical rotations at U.S. teaching hospitals or candidates can continue their medical studies in Poland.

Candidates that have a Bachelor's degree or just with + 2 education (with a science background), may directly enter the program. After the first three years of studies at the AMA-ZSMU campus in Poland, students can continue the program at the AMA-ZSMU Poland campus and receive a medical degree from ZSMU. The clinical part will be completed at the Polish hospitals and/or at some European teaching hospitals; also candidates will have the option to do clinical rotations at some of the U.S. teaching hospitals (certain conditions would apply for the USA).

EUROPEAN SCHOOL

ZSMU is listed in the World Directory of Medical Schools and graduates are eligible to apply for Educational Commission for Foreign Medical Graduates (ECFMG) certification. Degrees obtained from ZSMU are accepted by Poland, Croatia, Canada, the U.S.A., India, Australia, the EU, the UK, and worldwide. ZSMU accreditation is listed at:
