

POLONIA UNIVERSITY IN CZESTOCHOWA

Date: 09.09.2024

To whom it may concern:

American Medical Academy Inc. "AMA", and its 100% Polish subsidiary organization American Medical Academy Poland z.o.o. and Polonia University (Akademia Polonijna "AP") have established an exclusive Strategic Partnership on April 26, 2024. The Bachelor's Degree and Master's Degree in Nursing, MBA, and Post Graduate "Junior Doctor" Training & Polish Medical License prep programs are offered jointly and in partnership with the American Medical Academy at the AMA-AP campus in Częstochowa, Poland. This unique strategic partnership has been established for the mutual & long-term business interest of AMA and AP; and further for expanding the current educational & training program activities in Poland and globally.

As per the terms of this agreement, AMA and its network of partners have exclusive rights to Promote, market, and recruit qualified candidates from worldwide except Poland (*outside of Poland*) for all Polonia University's academic and training programs, and regarding the Nursing field (*Bachelor's and Master's degree nursing programs*), MBA and Bachelor degrees in Economics/business programs. AMA's exclusive global right in nursing is with the exception of AP's Erasmus activities/programs and AP's activities with the Universities from Italy in the field of Nursing.

Accreditation: The Polonia University (Akademia Polonijna) is Accredited by the Polish Ministry of Education and Science. Polonia University has been in operation since 1992.
